Federal Heavy Vehicle Use Tax (FHVUT) Form 2290

- Title 26, U.S. Code Sect. 4481 and Code of Alabama Section 32-8-58
- Requires 2290 filed prior to issuing registration
 - Highway motor vehicles with declared GVW (combined) 55,000 lb. or more
 - Official must verify payment of FHVUT for current year
 - Vehicles registered in July, August, or September can provide FHVUT payment proof for preceding tax period.
 - Proof not required for vehicles registered within 60 days of purchase date
 - Memo 2015-29 (Federal Heavy Vehicle Use Tax) – IRS documentation to provide to taxpayers exempt from providing 2290

Alabama Department
of Revenue

Motor Vehicle Division

**Form 2290 Filing Requirements
When Registering a Heavy
Highway Vehicle Within 60 days of Purchase**

Generally Form 2290, Heavy Highway Vehicle Use Tax Return, is required to be filed with full payment of tax by any taxpayer registering in their name a heavy highway motor vehicle at 55,000 pounds or greater. As a taxpayer, you must present an IRS-receipted Form 2290, Schedule 1 when registering a heavy highway motor vehicle with a state.

However, if you purchase a highway motor vehicle, either new or used, and register the vehicle at 55,000 pounds or greater within 60 days of the purchase date, you can provide a bill of sale or other evidence of a title transfer to register the vehicle instead of providing an IRS-receipted Form 2290, Schedule 1.

CAUTION: *Your Form 2290 is still required to be filed by the due date of the return based on the first use on a public highway during the taxable period. See Form 2290 and the instructions or visit www.irs.gov/trucker for more information.*

E-file is the best way to go for Form 2290 filers

Your Schedule 1 is available for printing almost immediately after your return is accepted by the IRS.

E-filing is the fast, secure, easy and accurate way to file returns and pay tax due. The electronic version of Form 2290 will save personal resources (for example, time and postage) and reduce preparation and processing errors.

You cannot e-file forms directly with the IRS. Form 2290 must be filed through an approved e-file provider. Select a provider at www.irs.gov/trucker. There is a fee charged to file electronically that varies by provider.

E-file is mandatory if you report 25 or more vehicles on a Form 2290.

For more information, please visit www.irs.gov/trucker.
