MEMORANDUM

2013-10

TO: County Licensing Officials and County System Vendors

FROM: Sherry Helms, Registration Unit Supervisor
Motor Vehicle Division

SUBJECT: Immediate Change Resulting From Act 2013- 398

Portions of Act 2013-398 became effective immediately. Specifically, Section 32-7A-17(d), of the Mandatory Liability Insurance (MLI) law provides that when **renewing** a motor vehicle registration, the licensing official is required to obtain the valid (unexpired) driver license or non-driver identification card number, department approved identification number, national driver's license, or the federal employer identification number for only **one** (1) of the individuals or entities listed as the registrant for inclusion within the motor vehicle registration records in the state and county databases. The department previously promulgated rule 810-5-8-.09, to assist licensing officials in identifying acceptable identification documents and provide procedures for assigning identification numbers.

The Motor Vehicle Division will provide notification regarding the provisions of Act 2013-398 that become effective January 1, 2014, at a later date.

If you should have any questions, please feel free to contact the Motor Vehicle Division at (334) 242-9006 or tags@revenue.alabama.gov.
