MEMORANDUM

2014-10

TO: License Plate Issuing Officials

FROM: Sherry Helms, Registration Unit *SH*
Motor Vehicle Division

SUBJECT: Discontinue Issuance of *Take a Kid Fishing* Distinctive License Plate, May 1, 2014

The Alabama Department of Conservation and Natural Resources, (DCNR), has decided to discontinue the issuance of the *Take a Kid Fishing* distinctive license plate. **On May 1, 2014, please discontinue issuing and renewing all Take a Kid Fishing distinctive license plates.**

Prenumbered license plates should be removed from your shelves and held for audit purposes effective May 1, 2014. Programmers should ensure the primary tag type KF is invalid beginning May 1, 2014 for both prenumbered and personalized (secondary tag type 02) tag types.

If any additional fees are collected for the *Take a Kid Fishing* distinctive license plate after May 1, 2014, they must be refunded to the customer, as the State Comptroller's office will no longer be able to make a distribution for these tag types.

This decision was made because the *Freshwater Fishing* license plate, also sponsored by the DCNR, will be issued beginning on May 1, 2014.

If you have any questions regarding this matter, please contact the Motor Vehicle Division at: tags@revenue.alabama.gov or (334) 242-9006.
