TO: License Plate Issuing Officials

FROM: Sherry Helms, Registration Unit SCH
Motor Vehicle Division

SUBJECT: Redesigned and New License Plates for Issuance Beginning December 1, 2016

The Alabama Forestry Forever license plate has been redesigned for issuance beginning December 1, 2016. An initial order of these plates will be delivered to licensing officials' offices, based on the plates issued to residents of the county. On December 1, 2016, please remove all current license plates with the old design from your shelves and retain them for audit purposes. **Additional pre-numbered and all personalized plates featuring the new design may be ordered using the Plate Reservation and Ordering System (PROS) beginning December 1, 2016.**

The Florida State University, I Share the Road Alabama, and University of Georgia distinctive license plates have exceeded the minimum required number of pre-commitments and will be available for issuance beginning December 1, 2016. **Personalized and pre-numbered license plates featuring the designs may be ordered using the PROS system beginning December 1, 2016.**

Distribution information from the State Comptroller's office related to the new plate categories will be provided soon.

The tag number scheme for the plates may be found on the Motor Vehicle Division website at <http://www.revenue.alabama.gov/motorvehicle/index.html> under 'Reference' then 'Registration File Information'. NOTE: updated annual plate schemes are included as well.
