3. Corporations granted permission by the Alabama Department of Revenue to use any other alternative methods to apportion income shall use these methods to determine the taxable income used to compute the tax rate for the privilege tax.

(b) S Corporations.

2. S Corporations granted permission by the Alabama Department of Revenue to use separate accounting to determine Alabama taxable income shall compute the income based on the Internal Revenue Service Form 1120S. Any Alabama income or expenses passed through to the shareholders shall be added

to or subtracted from the Alabama taxable income to arrive at the taxable income used to determine the rate for the privilege tax.

3. S Corporations granted permission by the Alabama Department of Revenue to use any other alternative methods to apportion income shall use these methods to determine the taxable income used to compute the tax rate for the privilege tax.

(c) Limited Liability Entities.

S. C. §857(b)(2)(E) deduction. This income shall be apportioned in accordance with §40-27-1, Code of Alabama 1975, and the accompanying rules.

810-2-8-.06 Extension of Time for Filing of Business Privilege Tax Returns.

(1) Corporations are required to file an Alabama Business Privilege Tax (“BPT”) return no later than two and a half months after the beginning of a taxpayer’s taxable year. Generally, all other taxpayers must file no later than three and a half months after the beginning of the taxpayer’s taxable year.

(2) Notwithstanding the requirement in (1) above, any taxpayer required to file a BPT return will be granted an automatic six month extension of time for filing the return.

(3) However, in no event shall a taxpayer extend the original due date to pay the tax. An extension of time granted to file the return pursuant to this section is not an extension of time for payment of tax. The amount of tax due must be paid on or before the due date of the return without regard to the extension to file the return.

(a) Payment of the tax shall be made via the paper Payment Voucher or by Electronic Funds Transfer (EFT). However, payment must be made via EFT if the payment exceeds \$750. Please refer to Regulations 810-13-1-.01 and 810-13-1-.03.

(b) Underpayment of tax penalties plus any applicable interest will be imposed as provided by law without regard to any extension granted under this section.

(4) An entity that fails to file the required return by the extended due date may not be granted an automatic extension the following (ensuing) year, but may be required to request the extension in writing. If a written request is required, the request must be made to the Commissioner of Revenue or to his designee, and must explain the reason for the request and the reason for failing to timely file the return in the previous year. The request also must state that the entity has no outstanding debts owed to the Department.

810-2-8-.07 Definition of Homeowners Association for Purposes of Administering the Alabama Business Privilege Tax Law.

(1) For purposes of administering the Alabama business privilege tax law levied by §40-14A-22, Code of Alabama 1975, effective with business privilege taxable years beginning on or after January 1, 2009, and business privilege tax determination periods beginning on or after January 1, 2008:

(a) Entities which are formed by restrictive covenant or a declaration of restrictions by the owners of real property in a defined area which are united as a nonprofit association to improve or maintain the area's quality will be presumed to be exempt from the Alabama business privilege tax as "homeowners associations" referred to in §40-14A-43, Code of Alabama 1975.

(b) The not-for-profit corporations referred to as "property owners' associations" in §40-14A-22, Code of Alabama 1975, will be treated as "homeowners associations," as referred to in §40-14A-43, and will be exempt from the Alabama business privilege tax.

(c) A unit owners' association organized under the Alabama Uniform Condominium Act will be treated as a homeowners association in accordance with §40-14A-43, if the association is a nonprofit entity.

(d) For-profit entities are not presumed to be homeowners associations for purposes of the Alabama business privilege tax exemption provided for in §40-14A-43, Code of Alabama 1975.

810-2-8-.09 Business Privilege Tax Filing Requirements for Disregarded Entities and Owners of Disregarded Entities.

(1) Scope. This regulation provides guidance concerning the Alabama business privilege tax filing requirements for certain disregarded entities and the owners of the disregarded entities.

(2) Net Worth Computation of Disregarded Entities. Section 40-14A-23, Code of Alabama, 1975, establishes the net worth computation for business entities subject to the Alabama business privilege tax. In accordance with the section, the net worth computations of a disregarded entity differ based upon whether the owner of the disregarded entity is subject to the Alabama business privilege tax. See Section 40-14A-1, Code of Alabama, 1975, for a definition of “disregarded entity.”

(a) Disregarded Entity Net Worth Computation if the Owner of the Disregarded Entity is Subject to the Alabama Business Privilege Tax. The net worth of the disregarded entity shall be zero, and the items that would enter into determining the net worth of the disregarded entity shall be used in computing the net worth of the owner of the disregarded entity.

1. Both the disregarded entity and the disregarded entity’s owner would be required to file an Alabama business privilege tax return.

2. The disregarded entity must disclose the owner’s name and Federal Employer Identification Number (FEIN) as required by the Alabama business privilege tax form.

(b) Disregarded Entity Net Worth Computation if the Owner of the Disregarded Entity Is Not Subject to the Alabama Business Privilege Tax. The net worth of the disregarded entity shall be equal to the amount of the disregarded entity’s assets less its liabilities.

1. Since, the owner of the disregarded entity is not subject to the Alabama business privilege tax, the owner would not be required to file an Alabama business privilege tax return.

2. Disregarded entity owners that are not subject to the Alabama business privilege tax include, but are not limited to: resident individual taxpayers; nonresident individual taxpayers; general partnerships; and, foreign business entities not doing business in the state of Alabama and not registered with the Alabama Secretary of State’s Office to do business in the state of Alabama.

3. The disregarded entity must disclose the owner’s name and FEIN as required by the Alabama business privilege tax form. A statement must be attached to

the business privilege tax return explaining why the owner is not subject to the Alabama business privilege tax.

810-2-8-.10 Business Privilege Tax Filing Requirements, Clarifications and Explanations.

(1) Scope. This regulation provides guidance concerning the general filing requirements for taxpayers subject to the Alabama business privilege tax.

(a) Section 40-14A-22, Code of Alabama, 1975, levies the annual Alabama business privilege tax on every corporation, limited liability entity, and disregarded entity doing business in Alabama, or organized, incorporated, qualified or registered under the laws of Alabama.

1. The terms “corporation”, “limited liability entity,” and “disregarded entity” are defined in Section 40-14A-1, Code of Alabama, 1975.

2. “Business entity” when used in this regulation means corporations, limited liability entities, and disregarded entities, as defined in Section 40-14A-1, Code of Alabama, 1975.

3. “Qualified or registered” refers to the registration of a foreign business entity with the Alabama Secretary of State’s Office to do business in the state of Alabama, in accordance with the requirements of Title 10, Code of Alabama, 1975.

4. “Doing business in Alabama” is not defined in the Alabama Business Privilege Tax Act of 1999.

(2) Foreign Business Entities. All foreign business entities which have qualified or registered with the Alabama Secretary of State’s Office are subject to the Alabama business privilege tax filing requirements.

(a) A foreign business entity is subject to the filing requirement until the earlier of the date the entity ceases to be in legal existence, or, the date the entity cancels or withdraws its registration with the Alabama Secretary of State’s Office.

(b) A foreign business entity is subject to the filing requirement for a business privilege taxable year regardless of the level of business activity conducted in the State of Alabama during the related determination period, even if the entity was dormant during the related determination period. See Section 40-14A-1, Code of Alabama, 1975, for a definition of the terms “taxable year” and “determination period.”

(3) Business Entities Created in the State of Alabama. All business entities created in the state of Alabama have an Alabama business privilege tax filing requirement for a business privilege taxable year so long as the entity is in legal existence, regardless of the level of business activity conducted in the State of Alabama during the related determination period. See Section 40-14A-1, Code of Alabama, 1975, for a definition of the terms “taxable year” and “determination period.”

(4) Guidance for Determining if a Foreign Business Entity is Doing Business in Alabama for Purposes of the Alabama Business Privilege Tax Law.

(a) General Rule. A foreign business entity owning property located in Alabama is considered doing business in the state of Alabama, and is considered to be subject to the Alabama business privilege tax.

1. While it is possible for the mere passive ownership of Alabama property to not rise to the level of doing business in Alabama, most instances of Alabama property ownership by a foreign business entity will be considered doing business and will subject the business entity to the Alabama business privilege tax.

2. The following are specific examples of property ownership by a foreign business entity that would cause the entity to be considered doing business in the state of Alabama:

i. The property owned is considered to be an item of inventory in the hands of the business entity or in the hands of a related business entity.

ii. The property is being held with a profit motive.

iii. The property owned is real estate located in Alabama and the real estate is being leased.

iv. The property owned is personal property and the personal property is being leased.

(b) The facts and the circumstances of each case must be considered in order to determine if a foreign business entity is doing business in the state of Alabama. Facts to be considered include but are not limited to: the business purpose of the business entity in its state of origin; the business activities of the business entity in other states; the activities performed in the state of Alabama; the property owned in the state of Alabama; and, whether a profit motive exists for the ownership of property in the state of Alabama.

(c) In addition to the general rule described in subparagraph (a), a foreign business entity is considered to be doing business in the state of Alabama for business privilege tax purposes, if in the state of Alabama the foreign business entity:

1. conducts a trade or business;
2. engages in commerce of any kind;
3. renders professional services;

4. conducts the business of insurance subject to the regulatory authority of the Alabama Insurance Commissioner, as specified in Section 27-2-27, Code of Alabama, 1975; or,

5. conducts the business of a financial institution, as defined in Section 40-16-1, Code of Alabama, 1975.

(d) Having an Ownership Interest in a Business Entity Conducting a Trade or Business in the State of Alabama. If a business entity is doing business in the state of Alabama, and the owner of the business entity is a foreign business entity that has no other contact with the state of Alabama other than its passive ownership interest in the business entity, then, generally, the owner of the business entity is not considered doing business in the state of Alabama and is not considered to have a business privilege tax filing requirement.

1. However, if the foreign business entity described as the owner in subparagraph (d) routinely manages the day-to-day operations of the business entity that is doing business in the state of Alabama, then the owner, the foreign business entity, can be deemed as doing business in the state of Alabama and would have a business privilege tax filing requirement.

(5) The Alabama business privilege tax filing requirements are independent of the Alabama income tax filing requirements stated in Chapter 18, Title 40, Code of Alabama, 1975.

(a) The Alabama business privilege tax filing requirement for foreign business entities is based upon whether the entity is qualified or registered under the laws of Alabama or is doing business in Alabama.

(b) The Alabama income tax levy found in Section 40-18-2, Code of Alabama, 1975, is based upon the foreign business entity “doing business in Alabama or deriving income from sources within Alabama, including income from property located in Alabama” or “receiving income from property owned or business transacted in Alabama.”

(c) A foreign business entity can have an Alabama income tax filing requirement, but not have an Alabama business privilege tax filing requirement for the same tax period. An example of this might be a foreign business entity that derives income from its ownership interest in a business entity conducting a trade or business in the state of Alabama, but which has no other contacts with the state of Alabama.

(d) A foreign business entity can have an Alabama business privilege tax filing requirement, but not have an Alabama income tax filing requirement for the same tax period.

1. Protected Activities Under Public Law 86-272. Alabama Department of Revenue Regulation Number 810-27-1-4-.19, Public Law 86-272 Exemption from Income Tax, provides an exemption from Alabama income tax for foreign business entities that perform only certain protected activities in the state of Alabama. The protected activities are specified in the regulation, but those activities could be construed as doing business in the state of Alabama for Alabama business privilege tax purposes.

2. Financial Institutions. A foreign business entity that meets the definition of “financial institution” stated in Section 40-16-1, Code of Alabama, 1975, is subject to the Alabama financial institutions excise tax, but is exempt from the Alabama income tax. A foreign business entity doing business in the state of Alabama as a financial institution is subject to the Alabama business privilege tax filing requirement.

3. Foreign Business Entities Subject to the Alabama Insurance Premiums Tax. A foreign business entity that is an insurance company upon which the statutes of Alabama imposes a tax upon its premium income is exempt from the Alabama income tax, in accordance with Section 27-4A-6, Code of Alabama, 1975. A foreign business entity doing business in Alabama as an insurance company subject to the Alabama insurance premiums tax is subject to the Alabama business privilege tax filing requirement.

810-2-8-.12 Requirements for the Alabama Electronic Business Privilege Tax Return.

(1) A complete Alabama electronic business privilege tax return will consist of data and supporting binary documents (such as .pdf documents) transmitted electronically. A complete Alabama electronic return must contain the same information as a comparable paper Alabama business privilege tax return.

(2) Corporations that electronically file their Alabama business privilege tax return must also pay their tax liability electronically.

(3) The transmission date of an Alabama business privilege tax return will be used to determine timely filing of an electronic return in the same manner that the postmarked date is used to determine timely filing of a paper Alabama business privilege tax return. An electronic return will be considered timely if the accepted transmission date is by the due date or within the automatic six month extension period of Rule 810-2-8-.06. No electronic extension request in this circumstance is necessary.

(4) This rule applies to and allows business privilege tax returns to be electronically filed through the Alabama Department of Revenue's Internet-based electronic filing program or the Alabama Business Modernized e-filing Program (MeF) or their successors and as they may exist from time to time. Rules 810-2-8-.13 through 810-2-8-.15 apply to returns that are transmitted through the Alabama Business Modernized e-filing Program (MeF).
