

Schedule MFD - Schedule of Exemptions Aviation Fuels

General Instructions

This schedule provides a summary of aviation gasoline and jet fuel sales to exempt entities where credit is taken on the monthly fuel tax return.

Column Instructions

- Column (A): Enter the exempt entity that the fuel is sold to.
- Column (B): Enter the product sold; aviation gasoline or jet fuel.
- Column (C): If product is sold to the federal government, enter the number of gallons sold to them for the month.
- Column (D): If product is sold to a HUB, enter the number of gallons sold to the HUB for the month.
- Column (E): Enter the number of gallons of jet fuel sold in Alabama in a Federal Trade Zone used to propel aircraft by jet or turbine engines operated by air carriers engaged in scheduled all-cargo operations conducted on international flights.
