Part G – Capital Credit

Sections 40-18-190 through 40-18-203 provide for a tax credit against Alabama income tax with respect to income generated by or arising out of a qualifying project undertaken by certain existing businesses and certain new businesses to be located in the state. A statement of intent to invest in a qualifying project must be filed prior to the qualifying project being placed in service and must be approved by the Alabama Department of Revenue prior to the project entity taking the credit. The credit allowable is up to 5 percent of the qualifying project’s allowable capital costs for each of 20 years, limited to the tax liability generated by or arising out of the qualifying project, and is applied after all deductions, exemptions and other credits have been taken.

As the project entity, the financial institution is required to complete and attach Form AR and Form K-RCC with the Form ET-1 return to be eligible to receive the capital credit. If the financial institution is a member or partner of an investing company that has a qualifying project, the financial institution must complete and attach Form K-RCC with Form ET-1. If a capital credit is claimed on Form ET-1, the project number(s) should be entered in the space provided on Schedule EC, Part G, lines G1a-G1g.

For further information regarding the capital credit and the necessary forms to claim the capital credit, visit the Alabama Department of Revenue’s Web site at www.revenue.alabama.gov under the Tax Incentives page, or contact the Department at P.O. Box 327001, Montgomery, AL 36132-7001 or 334-242-1175.
