(1) Vehicle owner must first complete an INV 26-15E Form (Application For Inspection of a Salvage Vehicle and Affirmation Supporting Salvage Certificate) and submit to the department. The INV 26-15E properly completed provides the written affirmation by the owner as required by Section 32-8-87 (k), Code of Alabama 1975, by stating the following:

(a) The actions taken to restore the vehicle to its operating condition which existed prior to the event which caused the salvage certificate to issue.

(b) Applicant personally inspected the completed vehicle and it complies with all safety requirements set forth by the state of Alabama and any regulations promulgated thereunder.

(c) The identification numbers of the restored vehicle and its parts have not, to the knowledge of the owner, been removed, destroyed, falsified, altered or defaced.

(d) The Alabama salvage certificate document or foreign jurisdiction's salvage certificate of title or equivalent attached to the application has not, to the knowledge of the owner, been forged, falsified, altered or counterfeited.

(e) All information contained on the application and its attachments is true and correct to the knowledge of the owner.

(2) Supporting Documents:

(a) The outstanding Alabama or foreign jurisdiction's salvage certificate of title or equivalent properly assigned to reflect the correct chain of ownership down to and including the applicant.

(b) In the event of an older year model salvage vehicle coming into Alabama from a jurisdiction where it was not required to be titled, a properly signed and notarized bill-of-sale, which declares the vehicle to be salvage, from the insurance company that declared the vehicle as salvage or from the titled owner, to the salvage buyer, is required. The bill-of-sale must provide a complete vehicle description, including the manufacturer's identification number.

(c) A notarized bill of sale for each transfer of the vehicle subsequent to the transfer from the insurance company (if the vehicle is coming into Alabama from a jurisdiction where it was not required to be titled).

In addition, no rebuilder's license shall be required in such cases where the owner qualifies to apply for an inspection pursuant to Section 32-8-87(r), Code of Alabama 1975.

If the identity of the vehicle can be established, the department will issue an assigned VIN plate containing the vehicle identification number that was issued by the manufacturer and affix the plate to the vehicle.
