**Filing The Proper Petition**

There are two types of petitions – Joint Petitions and Direct Petitions. The Joint Petition requires the signatures of both parties to a transaction. i.e. A tax preparer paid the Freightline & Equipment Tax on the taxpayer's behalf. The Direct Petition requires the signature of only one party to a transaction. i.e. The taxpayer paid the Freight Line & Equipment Tax directly to the Department. No refunds will be issued unless the proper petition is filed.

**Required Signatures**

The petition must bear the signature of the party involved. If a petitioner is an individual the individual must sign. If a petitioner is a partnership or limited liability partnership, a partner must sign. If a petitioner is a corporation, an officer of the corporation must sign. If a petitioner is a limited liability company, a member must sign. If a petitioner is a representative of the taxpayer, the Alabama Department of Revenue's official Power of Attorney (POA) form is required (Form 2848A).
