MEMORANDUM

2009-24

TO: County Licensing Officials

FROM: Amy Bright, Registration Supervisor *AB*
Motor Vehicle Division

SUBJECT: Use of Distinctive License Plates on Motor Homes

This memorandum concerns the use of distinctive license plates on motor homes.

Certain distinctive license plates provided for in Title 32, Chapter 6, of the Code of Alabama 1975, may be displayed on motor homes. This is applicable to all weight motor homes, including those that weigh over 42,000 lbs. and are usually registered with truck license plates (X5-X9). The applicable registration fee for the motor home based upon the weight, plus the additional fee for the distinctive license plate, must be charged.

Registrations for motor homes with a gross weight of over 12,000 lbs. should continue to be renewed in October/November when a distinctive license plate is chosen.

To determine if a particular distinctive license plate may be displayed on a motor home, please visit the Motor Vehicle Division website at <http://www.revenue.alabama.gov/motorvehicle/index.html>. Under "License Plate Information", select the distinctive license plate category that you would like to view, then click on the desired license plate image.

Please contact the Registration Section of the Motor Vehicle Division at tags@revenue.alabama.gov or (334) 242-9006 if you have any questions regarding this matter.
