MEMORANDUM

2013-34

TO: License Plate Issuing Officials

FROM: Billy R. Phillips, Revenue Manager
Motor Vehicle Division

SUBJECT: New pre-commitment Process and Breast Cancer Research Motorcycle Plate

Effective January 1, 2014, county licensing officials will no longer accept applications to create new distinctive license plate categories in the pre-commitment process. Act 2013-398 transfers this responsibility to the Department of Revenue. The new process will be web-based and the link may be accessed through the division's webpage. Licensing officials will be able to access the application through MVTRIP to redeem the pre-commitment receipt presented by registrants and issue license plates once available.

Please retain all blank Commitment to Purchase forms currently in stock for audit purposes in the same manner as license plates.

Additionally, a Breast Cancer Research motorcycle distinctive license plate will be available for both pre-numbered and personalization with a maximum of six (6) alphanumeric characters. This plate will be available for ordering on the Personalized Tag Reservation System (PROS) on January 1, 2014.

Should you have any questions regarding this matter, please contact the Registration Section at (334) 242-9006 or at tags@revenue.alabama.gov.
