MEMORANDUM

2016-002

TO: License Plate Issuing Officials

FROM: Sherry Helms, Registration Unit *SH*
Motor Vehicle Division

SUBJECT: Miles College Redesign for March 1, 2016 and Bulk Bicentennial Plate Shipment

The Miles College license plate has been redesigned and plates will begin being delivered to licensing officials' offices February 19, 2016, for issuance beginning March 1, 2016. Shipments will be based on the number of plates issued to residents of the county. On March 1, 2016, please remove all current Miles College license plates with the old design from your shelves and retain them for audit purposes. Personalized and pre-numbered license plates featuring the new design may be ordered on the Plate Reservation and Ordering System (PROS) beginning March 1, 2016.

The tag numbering scheme for these plates may be found on the Motor Vehicle Division website at <http://www.revenue.alabama.gov/motorvehicle/index.html> under 'Reference' then 'Registration File Information'. Please note, the Jacksonville State University Low Number scheme has been changed as reflected on this spreadsheet.

The department has ordered bulk shipments of the Alabama Bicentennial license plates to be delivered to licensing officials' offices soon.

If you have any questions regarding this matter, please contact the Motor Vehicle Division at tags@revenue.alabama.gov or (334) 242-9006.
