MEMORANDUM

2014-13

TO: License Plate Issuing Officials

FROM: Sherry Helms, Registration Unit *SH*
Motor Vehicle Division

SUBJECT: Redesigned and New License Plates for Issuance Beginning June 2014

The Amateur Radio distinctive passenger license plate has been redesigned and the new design will begin being issued June 1, 2014. These plates are ordered on the Plate Reservation and Ordering System (PROS) and are inscribed with the call letters assigned to the registrant by the FCC.

The Zeta Phi Beta Sorority, Inc. distinctive license plate has exceeded the minimum required number of pre-commitments and Alabama Correctional Industries (ACI) should deliver these plates to county offices beginning May 19, 2014. These plates will only be shipped to the counties where pre-commitments were purchased in order to prevent overstocking your offices. **Issuance of these plates should begin June 1, 2014.** Personalized license plates featuring this design may be ordered on the Plate Reservation and Ordering System (PROS) beginning June 1, 2014.

Distribution information from the State Comptroller's office related to the Zeta Phi Beta Sorority, Inc. distinctive license plate category was provided in an email dated April 11, 2014 entitled Information from State Comptroller's Office regarding New Tags.

Tag number schemes for these plates may be found on the Motor Vehicle Division website at <http://www.revenue.alabama.gov/motorvehicle/index.html> under 'Reference' then 'Tag Information'.
