## Seller Use Tax Timely-Filing Discount Eliminated

Montgomery—State Revenue Commissioner Michael L. Patterson advises retailers that beginning with the June 2001 state and state-administered county and municipal sellers' use tax returns, due July 20, 2001, no timely-filing discount will be allowed.

Executive Order Number 54, issued May 25, 2001, by Gov. Don Siegelman disallows the monthly discount on state and state-administered county and municipal sellers' use taxes collected by the license holder on or after June 1, 2001.

The elimination of the timely-filing discount in no way affects the rate or amount of use tax paid by the Alabama customer.
