S. Coast Guard and licensed by the State of Alabama Department of Conservation and Natural Resources), an amount equal to three and a half percent (3.500%) of the gross proceeds of sales of the business except where a different amount is expressly provided herein. Provided, however, that any person engaging or continuing in business as a retailer and wholesaler or jobber shall pay the tax required on the gross proceeds of retail sales of such business at the rates specified, when his books are kept so as to show separately the gross proceeds of sales of each business, and when his books are not so kept he shall pay the tax as retailer on the gross sales of the business.

Provided, however, not withstanding any language to the contrary in the prior portion of this subsection, the tax provisions so specified shall not apply to any athletic event conducted by a public or private primary or secondary school. The tax amount, which would have been collected pursuant to this subsection, shall continue to be collected by said public or private primary or secondary school but shall be retained by the school which collected it and shall be used by said school for school purposes.
