Pursuant to Act 98-192, known as the Local Tax Simplification Act of 1998, and Act 2018-150

Explanation of Tax and Rate Types and the format of the Monthly Local Tax Rate Report

Act 2018-150 requires all counties and municipalities to notify the Department in writing of any new levy or change to the local tobacco tax rates at least 60 days prior to the effective date of the new tax or amendment and the effective date of the new or amended tax levy must be the first day of the third month following the Department's receipt of the proper notification. Localities needing to update the published rates should submit the required template to the Tobacco Tax Section at account.tobacco@revenue.alabama.gov. Pursuant to § 40-25-2(f), Code of Ala. 1975, no municipality or county can enact an additional local tax or license fee after May 18, 2004 on the sale of cigarettes or other tobacco products. A municipality or county may only increase a tobacco tax levy if the municipality or county did not levy the full tax rate as provided for by a resolution or ordinance adopted prior to May 18, 2004; however, a municipality or county may decrease or repeal the local tax rate. This publication lists each county or municipality in strict alphabetical order. The abbreviations and explanations of the data are as follows:

PJ INDICATOR
 N - No tax levied in the police jurisdiction
 Y - Tax levied in the police jurisdiction (Normal rate is 1/2 the rate in the corporate limits unless otherwise indicated.)
