

810-5-1-.219. Design, Placement and Proper Use of Validation Decals.

(1) Section 32-6-63, Code of Alabama 1975, provides for a validation decal or other device suitable for attaching to a motor vehicle license plates and shall be issued upon the payment of the annual license tax and the satisfaction of all other registration requirements as prescribed by law.

(2) After the requirements for registration have been met, the Department of Revenue shall issue either one or two decals to be affixed to a license plate which was required to be revalidated by decal(s). The decal(s) will indicate the month assigned for registration and the validation year.

(3) All license plates which are issued "single" decals shall have the decal affixed to the right decal pocket of the license plate.
