Issues Concerning the Preparation of the 2018 Alabama S Corporation Income Tax Return

Schedule PC. The Alabama Department of Revenue requires the use of Schedule PC, Pass Through Credits, when claiming tax credits. The schedule allows the taxpayer to compute the total amount of tax credits allowable. The amounts entered on the Schedule PC will carry over to the Form 20S, page 1, line 32d and/or Schedule K, line 22. This schedule must be submitted with the return to receive credit(s).

Nexus. Act 2015-505 establishes a factor presence nexus standard for nonresident business activity. Substantial nexus in Alabama is established if any of the following thresholds are exceeded during the tax period: $50,000 of property, $50,000 of payroll, $500,000 of sales, or 25% of total property, total payroll or total sales.

General Instructions

Required Attachments. To be considered a complete return and not subject to treatment as a delinquent return due to improper preparation, the following must be attached:

1. A complete copy of Federal Form 1120S including all Federal K-1s, statements, and attachments. Voluminous schedules may be omitted; however, a list of all omitted schedules must be attached and provided if requested.

2. Completed Alabama Schedule K-1 for each person or tax entity that was a shareholder at any time during the taxable year.

Paid Preparer Information. The check box provided above the signature line on page 2 is used to authorize the Department to discuss Form 20S with the paid preparer. Checking this box can facilitate the process of resolving a problem with the return. Paid preparers must sign and provide the information requested in the Paid Preparer’s section of the form. The signature can be made by hand, by rubber stamp, by mechanical device, or a computer program. The preparer must provide the entity with a copy of the prepared return.

Time and Place for Filing. The Alabama Form 20S is due by the 15th day of the 3rd month after the end of the tax year. Returns or payments bearing a U.S. Postal Service cancellation no later than midnight of the due date will be considered timely filed.

Mail returns with payments to:
Alabama Department of Revenue
Pass Through Entity
P.O. Box 327444
Montgomery, AL 36132-7444

Mail returns without payments to:
Alabama Department of Revenue
Pass Through Entity
P.O. Box 327441
Montgomery, AL 36132-7441

Extensions. Any extension of time to file an income tax return allowed by federal income tax purposes will be recognized for Alabama purposes. However, the extension of time for filing the return is not an extension of time for payment of tax. The amount of tax due must be paid on or before the due date of the return without regard to the extension of time to file the return.

Make check payable to Alabama Department of Revenue and enclose completed Form PTE-V only if you are making a payment with Form 20S. Do not attach Form PTE-C or the Form PTE-C payment to the Form 20S.

Specific Instructions

File the 2018 return for calendar year, fiscal year, or short year that begins in 2018. Mark the appropriate box at the top of the form for a calendar, fiscal or short year.

At the top, right-hand corner of page 1, check the appropriate box indicating a calendar year, fiscal year, or short year return. A calendar tax year is 12 consecutive months, beginning January 1 and ending December 31. It is not appropriate for 52/53 week filers. A fiscal tax year is 12 consecutive months ending on the last day of any month except December. A short tax year is a tax year of less than 12 months. A 52/53 week tax year is a fiscal tax year that varies from 52 to 53 weeks that ends on a set day of the week but does not have to end on the last day of a month.

Check the Federal Audit Change box if you are amending the return due to changes that resulted from an IRS audit. Check the Amended Return box if you are amending the return for any reason other than changes that resulted from an IRS audit.

Filing Status. Check the appropriate filing status. ONLY ONE BOX can be checked. Filing status 1 is for companies operating only in Alabama. Filing status 2, Multi-state company, is for taxpayers whose business activity in Alabama is represented by the apportionment percentage (has operations in Alabama and one or more states). Identify the items of property on an attachment to the return.
