Records to clearly substantiate the above petition must be maintained by the licensed distributor for a period of six years and must be made available to the Alabama Department of Revenue or its authorized agents upon request. The statute of limitations is two years from the date of sale of the fuel to the licensed exempt entity. The petition must be filed on a monthly basis with a separate petition for each month and cannot include any sales for any other period. A summary listing of sales must be attached stating the licensed exempt entity name, license number, and number of motor fuel gallons. Please see instructions for further details.
