

Steps to Become an Authorized Title Service Provider

Effective October 1, 2019, Legislative Act 2019-238 amended Section 32-8-2 and 32-8-34, Code of Alabama 1975, to allow authorized title service providers to act on behalf of a designated agent of the department or a lienholder. If an authorized title service provider fails to perform its duties, the department may revoke the authority of the title service provider to act on behalf of a designated agent or lienholder. The Act further clarifies that **“No dealer appointed as a designated agent shall process title applications on behalf of another dealer unless both dealerships are owned by the same entity”**.

To qualify as an authorized title service provider, an individual or entity must comply with the provisions of Ala. Administrative Rule 810-5-75-52.01, including submission of the following forms:

1. Memorandum of Agreement with the department
2. Title Service Provider Application (form MVT 4-6)
3. Motor Vehicle Surety Bond (form MVT 4-3)
4. Power of Attorney for each dealer, designated agent or lienholder (form MVT 5-13)

In addition, the title service provider applicant must complete the department’s designated agent class. Upon completion of the designated agent class and compliance with all requirements of Chapter 8 of Title 32, Code of Alabama 1975, and rules promulgated thereunder, the authorized title service provider will be provided access to the Alabama Title System (ALTS). The ALTS Title Training Manual and the training schedule are available on the department’s website <https://revenue.alabama.gov/motor-vehicle/alts-alabama-titling-system/training-schedule/>.
