Part C – Coal Credit

For the tax years beginning on and after January 1, 1995, every corporation, whether a "subchapter S" corporation, as defined by the 1995 Internal Revenue Code, or not, foreign or domestic, that is doing business in Alabama, as a producer of coal mined in Alabama, shall be allowed a credit against the tax imposed by Section 40-18-2, in the amount of one dollar (\$1) per ton of increased production of coal over the previous year's production of coal as set out herein below. Such tax credit shall be based on coal produced after January 1, 1995, provided the coal was mined in Alabama as certified by the producer of the coal.

The amount of the total credit in any one year shall be based on the number of tons of Alabama coal produced by the corporation in the year which exceeds the number of tons of Alabama coal produced by the corporation in calendar year 1994. In the event a corporation did not produce Alabama coal during calendar year 1994, such corporation must establish a base year by producing Alabama coal for 12 consecutive months. Thereafter, such corporation shall be eligible for the tax credit as specified herein above over the base year production. (Acts 1995, No. 95-239, p. 403, §1.) The credit is required to be submitted through MAT.

Beginning with calendar year 2023, taxpayers may carry forward any unused coal credit for up to 5 years. The coal credit is required to be submitted through MAT (My Alabama Taxes). **NOTE:** If the credit you are claiming is from a Partnership or S Corporation, do not submit the credit claim through MAT. The credit claim will be submitted by the Partnership or S Corporation.

Part R – Income Tax/Capital Credit

Sections 40-18-240 through 40-18-250 provide for a tax credit against Alabama income tax liability with respect to income generated by or arising out of a qualifying project undertaken by certain existing businesses and certain new businesses to be located in the state. Written approval by the Governor, Finance Director, and Alabama State Port Authority is required, and a written statement of intent must be filed with the Alabama Department of Revenue prior to the project being placed in service. For further information regarding the capital docks credit, contact the Alabama Department of Revenue at P.O. Box 327001, Montgomery, AL 36132-7001 or 334-242-1175.

Sections 40-18-190 through 40-18-203 provide for a tax credit against Alabama income tax with respect to income generated by or arising out of a qualifying project undertaken by certain existing businesses and certain new businesses to be located in the state. A statement of intent to invest in a qualifying project must be filed prior to the qualifying project being placed in service and must be approved by the Alabama Department of Revenue prior to the project entity taking the credit. The credit allowable is 5 percent of the qualifying project's allowable capital costs for each year up to 20 years, limited to the tax liability generated by or arising out of the qualifying project, and is applied after all deductions, exemptions and other credits have been taken.

A project entity that is organized as a C-corporation must file the Form AR-C through their MAT account prior to filing the Alabama Form 20C. The Form AR-C replaces both the Forms AR and KRCC.

However, if the project entity is a pass-through entity where the C-corporation is a member or partner, the pass-through entity will complete Form KRCC for each member/partner allocating the project income and income tax capital credit available based on ownership. The C-corporation that is claiming the income tax capital credit will receive Form KRCC from the pass-through entity and complete Form KRCC-B. Both these forms must be attached to the Schedule BC and the boxes checked on Schedule BC, Section B, Part R.

- R1a-R1g. Enter the Project Number(s) assigned by the Alabama Department of Revenue and the amount of the Capital Credit claimed from Schedule KRCC-B, Part III, line 4 or Form AR-C, Capital credit eligible to be applied to project entity's tax liability.
